# INVESTIGATION LEADS TO KNOWLEDGE,

## AND KNOWLEDGE IS POWER IN ALL BUSINESS.

as in other walks of life. The opportunity is here, and all you have to do is to grasp it and it is yours. No doubt you have learned that the Old Reliable Red Corner Building is to be remodeled after the holidays, and there is but one thing to do, and that is to get the large stock of CLOTHING, &c., out of the building before the workmen commence. This is no scheme to gull the consumer, but an actual fact which has been put off as long as possible, and now they must go at your price, not ours. Our immense stock will be thrown on the market SATURDAY MORNING, and will continue the cut prices until everything is closed out, from a Collar Button to the Finest Suit and Overcoat sold in the city. Do not listen to anyone, but come, see and be convinced.

Respectfully,

OLD RELIABLE RED CORNER CLOTHING HOUSE.

gists of Newburg, Ore., says: "Since  
our customers have become acquainted

A STORY of chicken thieves that, for  
unadulterated nerve carries off the palm,  
comes from out on Catlett's creek bank  
of Catlettsburg, says *The Ashland News*.  
The bold thieves raided the hen roosts,  
and selected only the finest, collared a  
wash boiler left conveniently on the back  
porch, gathered up an armload of fire-  
wood, already cut, and departed for a  
neighboring hollow to prepare a feast,  
leaving the captured watch dog shut under  
a tub.

Not From a Financial Standpoint.  
"I do not recommend Chamberlain's  
Cough Remedy from a financial stand-  
point, for we have others in stock on  
which we make a larger profit," says A.  
Maggini, a prominent druggist of Brad-  
dock Pa., "but because many of our cus-  
tomers have spoken of it in the highest  
praise. We sell more of it than of any  
similar preparation we have in the store." For  
sale by Power & Reynolds, Drug-  
gists.

TALK about Kentucky suffering be-  
cause of the so-called corner in so-called  
whisky, says *The Louisville Times*. There  
are 2,000,000 Kentuckians and 30,000,000  
gallons of real whisky in Kentucky.  
Now 2,000,000 people will go into 30,000,  
000 gallons of whisky fifteen times, while  
30,000,000 gallons of whisky will go into  
2,000,000 people so many times that it  
tangles one's legs to contemplate it. We  
may be a little short on eggs, but we are  
out of sight on the other ingredient.

The Emerson Piano.  
These instruments have enjoyed a high  
reputation for more than forty years. Are  
brilliant and Musical in Tone, and afford a  
most beautiful accompaniment to vocal mu-  
sic—the tone having the rare sympathetic  
quality which blends admirably with the  
human voice. They are durable, being con-  
structed of the Best Materials, by the Most  
Skillful Workmen. They have earned an  
especial reputation for Keeping in Tune,  
and also for retaining in a most remarkable  
degree their original fullness of tone—never  
growing thin or weary with age.  
The Emerson Upright Pianos especially  
have obtained a remarkable success during  
the past few years, and have invariably re-  
ceived a high award wherever exhibited.  
In all the essential qualities of a First-class  
Instrument, they are second to no piano  
manufactured in the country.
